Eternal Rose Theatre**The Shadowy Waters—MTC Up the Alley**

"Take, if you must, this little bag of dreams,

Unloose the cord, and they will wrap you round."

Our play offers you a glimpse of eternity and immortal love, an hour transported "out of this dull world" and lifted into the starry realms of poetic vision.

We also have several scenes of JBJ getting beaten up, once by a girl.

Dreams become reality in these shadowy waters.

New to You**Comfort—RRC**

Mike loves Sara. Sara loves Mike. Sara leaves Mike. Mike still loves Sara. Sara still loves Mike. Sound familiar?

Mike and Sara meet to sign papers. Mike pours wine. Mike and Sara drink wine. Mike kisses Sara. Sara kisses Mike. Mike and Sara do what comes naturally. Does that sound familiar?

Afterwards, Mike thinks Sara's going to stay. Sara thinks otherwise. Hopefully, that DOESN'T sound familiar.

Come see *COMFORT*, see what happens...and get a free cookie. Seriously.

Martin Dockery**The Bike Trip—UofW**

On a journey befitting this year's fringe, Dockery ("Wanderlust," Best of Fest, Winnipeg Fringe 2009), dressed as Captain Kirk, attempts to retrace the trip Dr. Albert Hofmann took when he accidentally invented and tested LSD on himself—and then had to ride his bike. This is their mutual voyage, both hilarious and heartbreaking, through the deepest reaches of inner space.

"Best of the Orlando Fringe 2010"—The Orlando Sentinel.

Pyretic Productions**The Particulars—MTYP**

Like many people Gordon could not sleep with noise—the dripping of a tap, the breathing of a loved one, neighbours from Newfoundland...

Meet Gordon. Gordon is in control of every aspect of his life. He's developed a system that's kept him going these past four years, but the scratching he's begun to hear at night is pushing him over the edge. Infectiously funny and darkly absurd, come spend an hour with Gordon as he takes you through the award winning *Particulars*.

Bundle of JOY productions**It's Raining in Barcelona—MTC Mainstage**

"Leora Joy Godden is sparkling as Lali" (Ottawa Citizen). After successful runs in Ottawa and Toronto this award-winning Catalan production hits Winnipeg with an intense passion.

The story features a complex look at the inter-change between art and love—it's intriguing and never predictable. Under the sharp direction of Jim Guedo, this three-hander boasts a stunning set, sexy music and sizzling onstage chemistry. It is complex, intelligent, well acted, and above all dark and uncomfortable.

★★★★—*EYE Weekly, Toronto.*
